STRATTON FREE LIBRARY 1973
West Swanzey, N. H.

Thirty-one weekly "Adventure Time" programs were presented at our library each school day Friday from 3:30 to 4:00 PM during the 1972-73 school year. This will be acontinuing project for 5 to 9 year olds or kindergarteners through third graders.

It has been a very successful endeavor, both entertaining as well as informative. (The cassettes and projecting equipment also was loaned to Peter Pan Kindergarten for their use).

Many energetic Volunteers were used and appreciated for our varied programs. Attendance was, and is generally very good, ranging from 15-48 children per week depending on circumstances prevailing.

I feel that this effort has been and still is very worthwhile and with the continued support of parents, children and our very able volunteers , we should be able to carry on the programs indefinitely.

Respectfully submitted,

Mrs. Carol Boulay, Librarian

We converted fromgas to oil and have a much more efficient heater. Received from Town $850.00. Spent $850.00. We request $1000.00 for coming year.

LIBRARIAN'S REPORT

Mt. Caesar Union Library

The Adventure Time Story Hour was attended by 1261 children, an average weekly attendance of 35-45, 156 adults and 100 helpers with a book circulation of 1063. The adults were resource persons and/or committee members, and the helpers were high school students who helped to supervise the children in the walk from Mt. Caesar School to the Town Hall where the program was held. This is a program held each week school is in session which tries to introduce the children in grades 1 through 3 to many types of literature, art, music, drama by means of resource persons with special abilities and interests, films, filmstrips, etc. Other aims of the program are to reach the children who are homebound for any reason or who might be having reading difficulties by means of books with cassett tapes and filmstrips.

The annual Summer Reading Program had "Ships of Old Portsmouth Sailing Around the World" as its theme. This program is open to children in grades 1 through 6 and is held from the end of June to the first of September. The Portsmouth Naval Shipyard generously supplied films and other materials for the closing program.

Circulation for the year consisted of 15,247 books, 1027 magazines, and 153 records. In response to specific requests, additional materials were borrowed from the State Library in Concord, Keene Public Library, and other libraries in the state. In three visits to the library, 4178 books were borrowed from the Bookmobile. Books are taken to the Carpenter Home on a regular basis and to shut-ins when necessary.

The number of new families and individuals registered during the year to use the library and its resources is 68. They come from all areas of Swanzey and include all ages.

Mrs. John Palm, Librarian

SWANZEY DISTRICT OR VISITING NURSE ASSOCIATION, INC.

As the report for the year 1973 is being written it is interesting to reflect. Only two years ago, as the SV/Dna was reactivating, the question was being asked, "Does Swanzey need a full time District Nurse"?

Mrs. Priscilla Gloecker, Swanzey's nurse, reported that 1203 visits were made which included direct care, health supervision, newborn visits and others. Referrals for care were made by physicians, agencies, families and neighbors. In January of 1973 there were 9 direct care cases while during November there were 25 direct care cases. The year ended with 18 patients on direct care.

The physical therapist worked with 5 families with very good results.

Immunization clinics for children 6 months to first grade were held regularly and 62 children received protection. Mrs. Gloecker assisted the school nurse in Mt. Caesar school in April when 200 children received the vaccine.

Diabetic screening clinics were held in November. Including the industries in Swanzey and other individuals, 332 persons were tested. In December retesting was down on all showing positive results.

A dental clinic for pre-school children was held and 31 children from Swanzey received a floride application and instruction in the care of the teeth, as well as a cleaning.

Mrs. Gloecker, whenever time permitted, took advantage of meetings to increase her medical knowledge, to improve nuring services, to evaluate present services and to plan for better services to the community.

The SV/DNA Board with many volunteers in Swanzey reached nearly 300 Swanzey families with information about the services now available and donations of about $500.00 were accepted. This fund will be used almost entirely to support the nurse in needs where there are no other funds available. The Board also accepted donations to the Miss Napsey Memorial Fund totalling about $840.00. An Everest-Jennings electric wheel chair has been purchased as a tribute to the services given by Miss Napsey to the people of Swanzey. This chair is presently being used by a Multiple Sclerosis patient in Swanzey.

A new contract is being negotiated with the WVNA. We hope it will be agreed that Swanzey VNA will pay Winchester ona cost plus 5% basis rather than a flat sum for the year. This, our Board feels, is a very good step financially and of real significance in building a good working, trusting ralationship with the Winchester Board of Directors.

REPORT OF POLICE DEPARTMENT

To the Honorable Board of Selectmen and Voters of Swanzey: I herewith submit my report from January 1, 1973 to December 31, 1973.

Every year since Town meeting 1970 we have followed the recommendation of the study committee in regard to education for our men. This year four men attendedcourses offered by St. Anselms College which were held at Keene State College. We feel that Swanzey is fortunate in having men interested in educating themselves in law enforcement and believe we now have one of the best educated small town departments in the area.

Following is a summary of the departments activities for the year:

SWANZEY CONSERVATION COMMISSION

Many projects have kept the Swanzey Conservation Commission busy during 1973. During the course of the year, the Commission corresponded, met, and talked with several individuals whose agencies provide services, information and source material for groups such as ours.

Last winter, Joseph Quinn of the N. H. Department of Resource and Economic Development addressed us regarding the feasibility of a conservation commission becoming involved in establishing bicycle paths. Although we have not acted on the matter, the idea is still under our consideration.

We as a group have encouraged the activities of the Eco-Action Committee at Monadnock Regional High School. Several students have participated in a project designed to save classroom waste paper. Students deposit potential waste paper in cartons provided in classrooms. Thepaper is picked up weekly and added to the contents of our Paper Collection Center at Wilber's Supermarket. The Paper Collection Center continues to be very successful. Two members of the Eco-Action Committee attended two different Conservation Camps during the summer. The students were sponsored by the Commission.

The open space committee of the Commission has met several times in an effort to formulate plans that will eventually result in the attaining of lands for the town of Swanzey that will remain forever undeveloped. This is a slow process and necessitates a great deal of community education. We have a good start with the gift of 18 acres located along the river in the tract known as Sawmill Estates in Swanzey Center. Members of the open space committee plan to meet with the Town Planning Board in the near future.

On May 5, 1973, in conjunction with our Second Annual Swanzey Cleanup Day, our Glass Collection Center opened at the town dump in West Swanzey. By September, the bins were almost at capacity levels. A glass crusher was loaned to us by the Resource Conservation, and Development Project, Inc., of Littleton, N. H., in late November. For four weekends, committee members filled 60 barrels with the crushed glass. In early January, 1974, 45 of these barrels were shipped to the Glass Containers Corporation in Dayville, Connecticut where the cullet will be used in the manufacture of new glass containers. The 45 barrels contained about 25,400 pounds of crushed glass. We have determined that we must obtain our own crusher if we are to continue this pilot glass reclamation project in this region. Therefore, Mr. Anthony Raimondi,

Jr., and several students at MRHS are constructing 2 crushers. Funds to defray costs are urgently needed. To give interested persons the opportunity to contribute to this cause, we have opened an account at the Keene Co-Operative Bank in the name of Monadnock Recycling Project. We are also in need of many 55 gallon steel drums. Anyone able to donate any drums should contact one of our members.

On May 2, 1973, the N. H. Federation of Garden Clubs presented an award to us citing our work in recycling and community education.

We now number seven members, and this increase should help to provide Swanzey with a more efficient Conservation Commission. We appreciate and thank all the people who have helped us out and lent us their services in one way or another.

REPORT OF PLANNING BOARD 1973

The Planning Board meets every first Thursday of the month. It also holds other meetings as the work requires.

This year 12 regular meetings were held
11 Public Hearings
6 Special Meetings with Attorneys and subdividers where map layouts for the orderly development of land use, roads, drainage, etc. were discussed.
8 Subdivisions approved
2 Denied.

A Housing Standards regulation was developed to be voted on at Town Meeting.

On October 4, the Board appointed a committee of 9 citizens to evaluate future land use in Swanzey. This consists of classifing existing streets and roads, traffic flow, projected fire and police portection, school facilities, Town offices, libraries, highway department, water supply and sewage, utilities, health services, cemeteries and recreation.

The committee consists of Alden Clark, Chairman: Thomas Havill of the Planning Board; Richard Dugger, William Reade, Michael Gomarlo, Russell Travis, Lyman Lane and Norman Grandin.

Report of the Forest Fire Warden and District Chief

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.
